Go beyond Sunday morning; take advantage of this opportunity!

Student Ministry

Barnabas Meeting July 8, 12-3pm

For all those registered for Camp Barnabas, we will have a meeting this Sunday, July 8, immediately following the main service. We will meet in the Café and then go to lunch together. Afterwards we will head back to church to discuss roles, expectations, etc. and have a time of prayer. Please let Kicker know if you cannot be there.

Arlington Mission Trip Report

We took a group of 48 students and leaders to Arlington, TX last week to work with an ongoing ministry called Mission Arlington. The students were in charge of leading VBS for children at six different apartment complexes in the area. They shared the gospel, loved one another well, and served the community by helping deliver furniture to those in need. You may continue to pray for our students as they learn to be the hands and feet of Jesus wherever they are.

HBC Notes

- Our online **church directory** is up and running and many of you have already been added to it! Hopefully you noticed that you can edit your profile as needed, i.e., you can add a picture or change it by clicking "update profile." This will be a great resource for those in the Body to better connect names and faces. If you haven't set yours up yet and would like instructions on how to do so, email lnaylor10@gmail.com or call the church office, 720-1449.
- If you're a **Spotify** user, you can subscribe to our "Heritage Songs" playlist which consists of all the songs we sing at Heritage. This playlist offers a super convenient way for you and your family to worship together, learn songs you're unfamiliar with, find new music you wouldn't hear on the radio, and help prepare yourself for worship on Sundays. The easiest way to find this playlist is through the link on our website.
- Any member who would like to ask for **prayer or a question of the governing elder body** will be welcome to do so during the first portion of any regularly scheduled elder meeting. Please contact the chairman, Dennis McGee, through the church office at least one week prior to the meeting and ask to be placed on the meeting's agenda.

- Please **notify the church office of an upcoming surgery, the birth of a baby, or a hospital stay**. Our pastors, staff and church body would like to pray with you and encourage you, and there are many faithful prayer warriors to intercede on your behalf. We need your help to stay informed.
- Help us **keep your contact information on the church database current**. If your address, phone number or email address have changed please let us know by calling the church office or putting it on the tear-off portion of the worship guide and placing in an offering pedestal, or email Lauren, lnaylor10@gmail.com.

Resources

Faith@Home Center ~ Our elders and pastors believe God designed the family as the primary place for discipleship. The church exists to partner with you to equip you in whatever life stage you are in and as you guide your child's faith journey one step at a time. Faith@Home located in the Commons is our resource center for items to help you in your faith journey—it provides both free resources and items for purchase. All resources are for everyone, and also to use to minister to family members, neighbors and friends. If you have questions, contact Pastor Jimmy at jim@delightinGod.org or 720-1449.

The Satisfied Heart: 31 Days of Experiencing God's Love by Ruth Meyers ~ Deep within, many of us sense a longing for fulfillment—a hunger that cries out to be satisfied. Wonderfully, God in His infinite love can satisfy this passionately felt need. Better still, He will—as we let Him. For when we seek to pursue Him first of all, writes author Ruth Myers, our satisfaction with life, ourselves, and our Creator truly is guaranteed.

New Morning Mercies: A Daily Gospel Devotional by Paul David Tripp ~ Paul David Tripp wants to energize readers with the most potent encouragement imaginable: the gospel. Forget "behavior modification" or feel-good aphorisms. The author knows that what we really need is an encounter with the living God. Then, we'll be prepared to trust in God's goodness, rely on his grace, and live for his glory each and every day.

Trusting God: Even When Life Hurts by Jerry Bridges ~ In an effort to strengthen his own trust in God during a time of adversity, Navigator author Jerry Bridges began a lengthy Bible study on God's sovereignty. The revelations changed his life. He shares the scope of God's power to help you come to know Him better, have a relationship with Him, and trust Him more—even when unjust things happen. Tragedy, grief, loss, and death are part of life. Discover how trusting God can reveal biblical truths about God.

Spiritual Depression by D. Martyn Lloyd-Jones ~ "Christian people," writes Lloyd-Jones, "too often seem to be perpetually in the doldrums and too often give this appearance of unhappiness and of lack of freedom and absence of joy. There is no question at all but that this is the main reason why large numbers of people have ceased to be interested in Christianity." Believing that Christian joy was one of the most potent factors in the spread of Christianity in the early centuries, Lloyd-Jones not only lays bare the causes that have robbed many Christians of spiritual vitality but also points the way to the cure that is found through the mind and spirit of Christ.
