**Question - What was your life like before you became a Christian?**

**2) HOW you were saved– Acts 26:12-18**

Paul tells how he was saved (converted)

He was made aware of his sin/blindness (God gave sight)

He realized faith in Jesus led to forgiveness

Heard Jesus calling him, setting him apart, calling him to turn from darkness

**Question - How were you saved?**

- How did Jesus open your eyes to see your need for a Savior?

**3) AFTER you were saved– Acts 26:19-23**

Paul describes his life now as a Christian (Aimed to walk in obedience)

**Question - What has changed since?**

### Example Testimony

**1) BEFORE you were saved**

Background - Growing up as a little kid...I was a “good kid”

I thought there were the “good kids” who try to do what’s right and stay out of trouble  
and the “bad kids” who get in trouble at home and school, they did what they wanted  
and didn’t seem to care if they got in trouble

Problem - I felt pressure to do the right thing - I wanted to please people

Sometimes I just did the right thing to avoid getting grounded

It wasn’t because I was “good”

I wasn’t doing the right things because I loved God or loved my parents

I just didn’t want to disappoint people...and I especially didn’t want to get in trouble

I thought that being a pretty good kid made me a Christian...and that I was going to heaven

**2) HOW you were saved**

One day when I was 14, God helped me realize that being a Christian is about loving God & trusting in Jesus

- it’s not about being good or going to church

- the Bible says that my best attempts at being good, aren’t good enough...in fact it was sin.

I had been disobeying God and trying to live life on my own...being my own boss(king)

I realized I needed Jesus because He paid the penalty for my sin on the cross

I realized that Jesus took the punishment that my sins deserved,

even though He lived a perfect life and never sinned.

In that moment my heart was full of love for God. I knew I needed Jesus, and I wanted Jesus.

So I just prayed...I just said,

*“God forgive me for trying live life on my own and for not following you*

*Help me to trust You...to love You. I want you to be the ruler(boss) of my life.*

*Change me on the inside, help me to follow you...Thank You for saving me”*

**3) AFTER you were saved**

Since then, my life hasn’t been perfect...but my love for God is definitely growing.

The Bible says that when God saves us He makes us a new creation

...He gives us a new heart, new desires...He’s changing me on the inside

...Now I’m less concerned with pleasing everybody and trying to impress them

...I’m more concerned about pleasing the Lord, because I love Jesus

Deep down I want to please God...to follow Jesus....to love others because I know that Jesus loves me.
